PROGRAM

Our 2025 research aimed to determine the top needs of church and ministry workers globally, the top topics of interest, and the pressing issues by role. We gained valuable insights for shaping our program offerings. Interestingly, regardless of role, both in 2022 and 2025 survey respondents collectively saw this as a priority: Attending to personal and spiritual health along with professional development.

Attending to personal and spiritual health along with professional development

TOP PRESSING ISSUES

Board Chairs
Succession planning

Board Treasurers
Insufficient attendance rate at meetings

Board Secretaries
Lack of knowledge in performing the role

Board Members
Dealing with challenges of accountability

CEOs
Building a strong team and boosting morale

CFOs
Adopting best practices and technologies

COOs
Aligning operations with ministry's mission

CTOs
Addressing technology needs and security threats

CLOs
Determining compliance requirements

Fundraisers
Encouraging board members to give

Administrators
Communicating and managing expectations

Trainers
Developing teaching or training techniques

Program Officers
Establishing processes and guidelines

HR Officers
Managing organizational relationships

Communications Officers
Developing a consistent communications strategy

Staff Members
Generational or cultural misunderstandings

Pastors
Building a ministry team

Church Administrators
Managing expectations from members

Volunteers
Insufficient resources for empowering service
